Charger Girls, Parents and Representatives,

Great job at the Pep Rally, basketball and... impressive showing by the Charger Girls at the TO Competition everyone. We know that they were appreciative that you were there 😊

You're on you way to another busy week.

Please be at class and practices....unless you are ill!

Your team cannot practice and get your competition routines perfected if you are not there 😞

Stay well... and let's get the 'party started' 🎉

Thought for the Week:

"Life is all about timing... the unreachable becomes reachable, the unavailable become available, the unattainable... attainable. Have the patience, wait it out It's all about timing."

\*Spirit Team Trivia :

Did you know that the Cheer Coach at TO, Kelly Mills..and her brother Craig.... that helps Kelly at TOHS...both cheered at Agoura as a part of the Spirit Team. Kelly and Craig were also on separate cheer squads at AHS that finished in the top 10 at UCA High School Nationals at Walt Disney World in Orlando Florida. Kelly was on the very first all girls team that competed there for Agoura 🎉
